

PEACE RIVER MANASOTA REGIONAL WATER SUPPLY AUTHORITY

**REQUEST FOR BIDS
WATER TREATMENT CHEMICALS**

Sealed bids for the purchase of water treatment chemicals for the Peace River Facility will be received on March 11, 2009 until 2:00 p.m. by the Peace River Manasota Regional Water Supply Authority (Authority) at the Authority's Administrative Office located at:

Peace River Manasota Regional Water Supply Authority
6311 Atrium Drive, Suite 100
Bradenton, Florida 34202
(941) 316-1776

Bids shall be for the purchase, delivery and unloading of water treatment chemicals as set forth in the Invitation to Bid, Contract for Purchase of Goods, Bid Form, Technical Specifications and Safety Measures which comprise the Bid Documents prepared by the Authority. All bids which have been received in accordance with the Invitation to Bid will be publicly opened immediately following the above-stated time and date for receipt of bids.

The purchase of water treatment chemicals includes the following:

- \$ Aluminum Sulfate
- \$ Aqua Ammonia
- \$ Coagulant Aid
- \$ Copper Sulfate
- \$ Potassium Permanganate
- \$ Powdered Activated Carbon
- \$ Sodium Hydroxide
- \$ Sodium Hypochlorite

All bids are to be a firm price for a period of one (1) year. The firm FOB destination price shall include cost for purchase, delivery and unloading of the water treatment chemicals at the Peace River Facility located in DeSoto County.

A copy of the Bid Documents may be obtained at no charge by contacting Linda Stewart at the above-referenced address and telephone number.
