

PEACE RIVER MANASOTA REGIONAL WATER SUPPLY AUTHORITY

**REQUEST FOR BIDS
WATER TREATMENT CHEMICALS**

Sealed bids for the purchase of water treatment chemicals will be received until 2:00 p.m. local time on March 10, 2010 by the Peace River Manasota Regional Water Supply Authority (Authority) at the Authority's Administrative Office located at:

Peace River Manasota Regional Water Supply Authority
6311 Atrium Drive, Suite 100
Bradenton, Florida 34202
(941) 316-1776

All bids which have been received in accordance with the Invitation to Bid will be publicly opened immediately following the above-stated time and date for receipt of bids. Bids received after the scheduled closing time for submission of Bids will be returned unopened.

The purchase of water treatment chemicals includes the following:

- Aluminum Sulfate
- Aqua Ammonia
- Coagulant Aid (water treatment)
- Coagulant Aid (sludge dewatering)
- Copper Sulfate
- Potassium Permanganate
- Powdered Activated Carbon
- Sodium Hydroxide
- Sodium Hypochlorite

Bids shall be firm FOB destination price for the purchase, delivery and unloading of water treatment chemicals at the Peace River Facility located in DeSoto County as set forth in the Bid Documents prepared by the Authority. All bids are to be a firm price for a period of one (1) year.

A copy of the Bid Documents may be obtained at no charge by contacting Linda Stewart at the above-referenced address and telephone number or e-mail at lstewart@regionalwater.org.
