

PEACE RIVER MANASOTA REGIONAL WATER SUPPLY AUTHORITY

Resolution 2026-03

**RESOLUTION SETTING FORTH PRELIMINARY SCHEDULES
OF RATES, FEES AND CHARGES FOR FY 2027**

The Peace River Manasota Regional Water Supply Authority, created pursuant to Chapter 373.1962, Florida Statutes, subsequently reenacted as Section 373.713, Florida Statutes, and Interlocal agreement pursuant to Chapter 163.01, *et seq.*, Florida Statutes, in lawful session and in regular order of business properly presented, finds that:

WHEREAS, the Second Amended Interlocal Agreement Creating the Peace River Manasota Regional Water Supply Authority entered into on October 5, 2005 provides that:

'The Authority shall establish a tentative budget no later than May 15, for the ensuing Contract Year. The tentative budget shall include all anticipated expenditures of the Authority for its projects and activities for the ensuing Contract Year, including Operating and Maintenance Cost, Management and Planning Costs, and Debt Service Cost. As part of the budget process, the Authority shall adopt rates, fees, and charges to generate sufficient revenue to pay all budgeted expenditures on a water user basis for Authority Water Supply Facilities. Membership fees and rates shall be established annually and adopted by resolution at the time of budget adoption.' and

WHEREAS, the Authority has entered into the Peace River Manasota Regional Water Supply Authority Master Water Supply Contract with Charlotte County, DeSoto County, Manatee County, Sarasota County, and with the City of North Port on October 5, 2005 (as amended December 4, 2024) for the purpose of supplying water produced by the Authority from the Peace River Facility and new water supply sources; and

WHEREAS, the Master Water Supply Contract provides that:

'In conjunction with the Authority's annual budget development and adoption process, the Authority shall fix a Water Rate consisting of the Base Rate Charge (adjusted as necessary for customer financing), DeSoto Payment, and Water Use Charge to be paid on a monthly basis by the Customers for water furnished by the Authority. The rates are not subject to the supervision or regulation by any other commission, board, bureau, agency or other political subdivision or agency of the county or state.' and

WHEREAS, the Authority Board of Directors adopted the Tentative Budget for FY 2027 at their regularly scheduled meeting on April 1, 2026.

NOW, THEREFORE, BE IT RESOLVED:

Section 1. The Peace River Manasota Regional Water Supply Authority does hereby set forth preliminary schedules establishing rates, fees and charges for the period beginning October 1, 2026 through September 30, 2027 attached hereto as Exhibit A.

Section 2. Conservation Charge for Exceedance.

In the event a Customer, other than an ‘Exclusive Provider Customer’ as defined in the Master Water Supply Contract, should receive delivery of water in excess of their respective water allocation (as adjusted by New Water Supply Demand and/or Redistribution Pool) provided in the Master Water Supply Contract for the period beginning October 1, 2026 through September 30, 2027, the exceeding Customer shall pay an additional charge, Conservation Charge for Exceedance, derived as follows unless the exceedance is the result of an emergency transfer as determined by the Authority Board, in which case no additional charge shall be placed upon the excess water usage occasioned by the emergency.

The Conservation Charge for Exceedance shall be based solely on Annual Average Day (AAD) Water Allocation set forth in Exhibit B of the Master Water Supply Contract (the Conservation Charge for Exceedance does not apply to the Peak Month Average Day and the Maximum Day Water Allocations if exceeded). Delivery of water shall be as recorded by the Authority’s meters at the points of connection between the Authority transmission system and the distribution system of the customer.

Exceedance of AAD for Fiscal Year	Conservation Rate Calculation
1 st Exceedance	<u>No penalty.</u> Customer liable only for the Base Rate Charge set by resolution plus Water Use Charge set by resolution for their actual metered water usage. The Authority shall assist the customer in the performance of a water audit of its water system and implementation of audit recommendations.
2 nd Exceedance	Customer liable for the Base Rate Charge set by resolution plus <u>125% of the Redistribution Pool Water Base Rate Charge for water delivered in exceedance of Water Allocation</u> plus Water Use Charge set by resolution for their actual metered water usage.
3 rd Exceedance	Customer liable for the Base Rate Charge set by resolution plus <u>150% of the Redistribution Pool Water Base Rate Charge for water delivered in exceedance of Water Allocation</u> plus Water Use Charge set by resolution for their actual metered water usage.
4 th and all Subsequence Exceedances	Customer liable for the Base Rate Charge set by resolution plus <u>200% of the Redistribution Pool Water Base Rate Charge for water delivered in exceedance of Water Allocation</u> and Water Use Charge set by resolution for their actual metered water usage.

The Conservation Charge for Exceedance is progressive and penalty for exceedance is applied in subsequent fiscal years as provided above. The exceedances do not need to be in consecutive years and the number of exceedances does not reset each year. The Conservation Charge for Exceedance is not applicable to an Exclusive Provider Customer.

The additional revenue received from such exceedance will, at the discretion of the Authority Board, be applied to the funding for management and planning as provided in section 17 of the MWSC for future water supply development.
